Summary Annual Report as of June 30, 2001

Benefits under the plan are funded and maintained by more than ten separate

collective bargaining agreements. Plan expenses were \$53,544,953. These expenses included \$4,371,692 in administrative and investment expenses

and \$49,173,261 in benefits paid to participants and beneficiaries. A total of 6,880 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was \$732,251,589 as of June 30, 2001, compared to \$797,202,056 as of June 30, 2000. During the plan year, the plan experienced a decrease in its net assets of \$64,950,467. This decrease includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had a total income of <\$11,405,514> including employer contributions of \$16,663,337, losses of \$24,901,043 from the sale of assets, losses from investments of \$3,167,808.

Minimum Funding Standards

An actuary's statement shows that enough money was contributed to the plan to keep it funded in accordance with the minimum funding standards of ERISA.
