

IMPORTANT PLAN INFORMATION

FOR ALL ELIGIBLE PLAN PARTICIPANTS

APRIL 2014

For questions, please contact the Trust office directly at (907) 751-9700 or (800) 478-4450 (toll free).

The Alaska Teamster-Employer Welfare Trust is partnering with Health Care Strategies to implement the Plan's new **Health Reach** program effective May 1, 2014.

We believe this program will provide valuable assistance to participants who are living with chronic conditions. The program is free to covered participants.

Please read the enclosed information for important details regarding this program. If Health Care Strategies identifies you as someone who might benefit from the program, you will receive additional information by mail and by phone. If you are contacted, we encourage you to work with Health Care Strategies and take advantage of the **Health Reach** services.
