

Vision Coverage to
see you through
life's stages.

Continue your coverage with VSP®

If you're retiring or not eligible for vision benefits through work, we can help. Enroll directly in a VSP Individual Vision Plan* for as low as \$17 a month and continue to receive:

-  **Lowest Out-of-pocket Costs.**
More than \$200 in annual savings, plus up to 60% savings on digital hearing aids through TruHearing.¹
-  **Comprehensive Coverage.**
Choose from a wide selection of vision plans, lens enhancements (like no-line bifocals), and featured frames that fit your budget.
-  **Trusted Doctor.**
Keep your VSP network doctor (or choose from one of 33,000 network doctors) who provide a WellVision Exam® to check your eye health annually.
-  **Superior, Personalized Service.**
Count on the experience of VSP representatives to guide you through enrollment and all your vision service needs.

"When I retired, I lost my employer-sponsored vision insurance and discovered VSP... My optometrist said this was the best plan of the ones they honor. I have been on this plan for four years and have been extremely pleased with the service, the value, and the choices."

Vision Care—Facts of Focus

There are so many great reasons to continue your vision coverage directly with a VSP® Individual Vision Plan.

MEDICARE DOESN'T COVER routine eye exams, eyeglasses or contacts.

6+ MILLION AMERICANS by 2030 (40yrs or older) will have blindness or low vision due to diabetes and chronic illness.¹

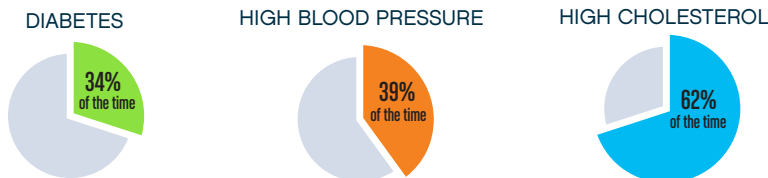

MORE THAN 70% of respondents think losing their eyesight would have the greatest impact on their day-to-day life.²

1.7 MILLION seniors are diagnosed with glaucoma by their eye care provider.³

RETIREES SWITCHING to an Individual Vision Plan from their employer's VSP group plan can keep their doctor.
